

Day 1:

Literacy	 <p>Story Starter <i>They had arrived out of the blue, catching everyone completely unaware.</i></p> <p><i>Striding through the vast expanse of ocean as if it were nothing more than a shallow puddle, the trolls provided the gathering crowd on the cliff tops with a menacing spectacle. They were enormous! Grotesque!</i></p> <p><i>The whole cliff shook as one of them crunched a meaty, clumsy hand the size of an elephant into the rock face...</i></p> <p>Can you continue the story? Try to describe the trolls' appearance. Look closely at what's growing out of their heads! Can you apply some of your vocabulary for describing large and small things from our Borrowers unit?</p>
Reading / Spelling	<p>Reading Plus: Log in to Reading Plus and complete the 'Reading' activity every day.</p> <p>Reading for pleasure: Try to read a book of your choice every day. You can use a book you have at home or a log on to the Portsmouth ebook library: https://portsmouth.eplatform.co/</p> <p>Spelling: These have been set on Purple Mash. Practise over the week using the different spelling strategies e.g. pyramid words, boxes, speed writing etc.</p>
Maths	<p>TTRS: Please continue with your 10 minute daily times tables practise as you did during lockdown.</p> <p>Investigation: Choose to complete one or both of these investigations, depending upon how you get on. If you need to, make your own number cards by cutting and labelling a piece of paper.</p>

Card tricks

Chico's cards are all different.
There is a number from 1 to 8 on each card.

Chico has chosen four cards that add up to 20.
What are they?
There are seven different possibilities.
Try to find them all.

What if Chico has three cards that add up to 16?

Next door numbers

Take ten cards numbered 0 to 9.

Arrange the cards like this.

Do it so that no two consecutive numbers are next to each other, horizontally, vertically or diagonally.

There are lots of ways to do it.
How many ways can you find?

Foundation	Log on to epic books: https://www.getepic.com/students You have been assigned a range of books linked to our science topic: Living Things and their Habitats . Read these books and take notes about interesting facts and key information. Tomorrow, you will turn this into an information page.

Day 2:

Literacy	 <p>Story Starter</p> <p><i>"Welcome to Animal Airlines: this is your Captain speaking! We will do everything we can to ensure you have an enjoyable and comfortable flight. Our highly trained crew will endeavour to meet your every need: the meerkats will provide in-flight entertainment, our koalas can bring you a variety of snacks, the sloths will take care of your luggage and the giraffes give excellent foot massages! For those of you wanting a good night's sleep we have an excellent range of relaxing whale music available, or if it's a party you're after we have our in-flight music playing in the rear cabin, courtesy of 'The Monkeys'. I once again do wish you a comfortable and enjoyable flight, and I can assure you that you can have every confidence in me as your Captain: everyone knows polar bears are extremely reliable!"</i></p> <p>Create a persuasive advert for Animal Airlines. Think about the key selling points you'll need to tell the reader and what you'll say to persuade them to book their flight. Try to use rhetorical questions and emotive language to make it really persuasive.</p>
Reading / Spelling	<p>Reading Plus: Log in to Reading Plus and complete the 'Reading' activity every day.</p> <p>Reading for pleasure: Try to read a book of your choice every day. You can use a book you have at home or a log on to the Portsmouth ebook library: https://portsmouth.eplatform.co/</p> <p>Spelling: These have been set on Purple Mash. Practise over the week using the different spelling strategies e.g. pyramid words, boxes, speed writing etc.</p>
Maths	<p>TTRS: Please continue with your 10 minute daily times tables practise as you did during lockdown.</p> <p>Investigation: The answer is 1000. What is the question? How many different ways can you make 1000? Think about using different operations (not just addition!), fractions, doubling, measurement and word problems.</p>

Foundation	<p>Log on to epic books: https://www.getepic.com/students</p> <p>You have been assigned a range of books linked to our science topic: Living Things and their Habitats. Yesterday, you recorded key information and fun facts. Today, you need to turn these into an information page about habitats. You might want to make a general poster about habitats or you might like to choose one particular habitat to focus on in more detail. Remember to present your work clearly and make your poster eye catching. You can include pictures and diagrams.</p>
